### Formal Written Opinion Not Received

Palmview, TX – The City of Palmview requested a formal written opinion from The Secretary of State Election Division regarding our mayoral election which was expected anytime before midnight on November 30, 2018. In anticipation of such opinion, a Special Meeting Agenda was posted to give proper notice to the public; however, the formal written opinion from The Secretary of State Elections Division was not received.

Since the formal written opinion was not received by November 30, 2018, it is in the best interest of The City to cancel the scheduled Special Meeting, to allow legal counsel ample time to thoroughly review and advise the City Council appropriately.

Upon an adequate review of the written opinion, a meeting will be held timely. Until then, the City of Palmview assures its residents that its councilmembers are working diligently to resolve this matter to ensure the correct course of action is taken.
